SENIOR POEM

Youth stands poised on the misty brink of an unknown world,
Past behind, Present passing, Future to be unfurled.

His greatest days behind him, though on to greater deeds,
Foundations left behind him on which all history feeds.

With rosy cheeks and sparkling eyes, the step he takes is bold;
But never will he return again, for youth must grow old.

Yet age dims not the future, for it grows brighter still,
On to better things and greater things, 'til life has had its fill.

In fulfillment lies the greatness for which all mortals strive,
To do the best that can be done while we are yet alive.

Though living lends its lustre to the future day by day,
Past will become a misty thought, though memories will stay.

Memories of friendships locked behind Time's iron-bound gate,
Memories of funny things, enjoyed perhaps too late.

School busses, lunches, a scheduled test, a football cheer,
A crowded hall, and the Alma Mater ringing clear.

One by one, as Future leads us onward year by year,
We leave our youth behind us with the things that made it dear.

Joan Lee Williams

SENIOR CLASS HISTORY

Throughout most of a student's high school career, he naturally has as his goal ultimate graduation. He is thrilled as he thinks of the day when a diploma will be his. As that day draws near, however, a certain aspect of sadness attaches itself to graduation, and he finds himself "backing" out of high school, looking back on the joys and sorrows he has experienced there. In retrospect he may try to remember that first day at Eastern. If he came to Eastern from another high school, he may recall that initial experience quite vividly. If that first recollection is growing dim, perhaps he was one of the many who began as freshmen in the fall of 1951. Or it could be that he entered EHS upon the opening of the big, new building in 1950, her first year as a junior-senior high school.

The real "old hands", however, are those hardy souls who met at Eastern in the seventh grade when the students were temporarily housed in portable buildings, now employed as our shop buildings. These students are the first to be graduated after attending Eastern for the full six years. And these years have been full.

The next autumn we joyfully entered the new building, our school. That was the year of our first school athletic teams. Although we could not play on those teams yet since most of us were just eighth graders, our day was just around the corner.

Our class has been thought of by many as having some sort of "golden touch", or magic money-making skill. Though we have worked for our money, our great financial success was primarily due to the excellent advice and guidance given us by our foresighted freshman sponsors. At the helm as class officers that year were Dan Neubauer, President; Ned Beatty, Vice-President; Ellis Minton, Secretary; Anna Alexander, Treasurer; and Jim Bate, Sergeant-at-arms.

As our big financial project, we gave the Freshman Carnival, which sent us on our way toward the Prom and yearbook expenses that were to come.

Selected from our class to serve as junior-varsity cheerleaders their freshman year were Joan Trigg, Betty Jo Dillon, and Bonita Lillard, exhorting the underclassmen to cheer on their team.

As school dismissed that spring for summer vacation, we all felt that our first year in high school had certainly been a wonderful one.

Some three months later the class assembled again, this time as sophomores. As sophomores, we knew we must elect good officers to guide us in making a name for ourselves in the school.

For President we selected a boy who had the entire locality agog with his precocious basketball ability, Ellis Minton. Other officers were Dan Neubauer, Vice-President; Gordon Ford, Secretary; Tony Vest, Treasurer; and Letitia Knoeller and Hugh Durham, Sergeants-at-arms.

The class undertook to hold a Rink Rally, as it was called, at the Fontaine Ferry Park Rink. This was a tremendous success.

Again leading the cheering section were Bonita Lillard, Joan Trigg, and Betty Jo Dillon, but this time with the help of Lounette Humphrey and Don Davis.

One highlight of our athletic year was the gala train trip to Ashland, Kentucky, to cheer on Eastern's "Eagles of the Gridiron" in their clash with the Ashland Tomcats. Although we failed to bring home a victory, many delightful memories came home with us. Another big event of the football season was Eastern's invitation to, and victory in, the Cumberland Lake Bowl game. Our team also received a trophy as County Champs of 1952 in football.

SENIOR CLASS HISTORY

It was in our sophomore year that we belonged to Eastern and Eastern belonged to us.

Upperclassmen at last! So were the thoughts of many of us as we registered for our junior year.

A big problem staring us in our collective faces was that of financing the Junior-Senior Prom in a way to make it bigger and better than ever before. A repeat performance of the class's pet project, the Rink Rally, yielded handsome profits, as did the Snack Bar, traditionally a junior class responsibility. Thus we were able to give one of the best Proms this area has ever seen. It was held at the Brown Hotel, with C. B. himself, Cliff Butler, and his band. It was indeed a memorable occasion for everyone concerned.

A large part of the credit for our successful junior year went to our class officers. Those hard workers were Dan Millott, President; Bob Baughman, Vice-President; Pat Moore, Secretary; Jack Tarr, Treasurer; and Ned Beatty and Richard Ewing, Sergeants-at-arms.

You might also remember Nelson Joyner's winning the Harvard Book Award given by Harvard University for his outstanding scholarship and achievement.

That year we again journeyed to Ashland, this time faring better, battling our opponents to a scoreless tie. Cheering the team were our cheerleaders, Joan Trigg, Lounette Humphrey, and Bonita Lillard.

Jack Tarr was the big man on the tennis team and teamed with his younger brother, Jim, to win the State Doubles Championship, a title they have taken four years in a row.

In September of 1954, we assembled for what we knew was to be our last year as a class of Eastern High School.

The hustle and bustle and fun of our senior year descended on us almost immediately. The football team started things off with a bang. This team was lauded by many as the greatest in the history of the school. One inspiration to the players was no doubt the new field, the scene of four home games. Cheering them on were Joan Trigg, Bonita Lillard, Lounette Humphrey, and Betty Jenkins. The Football Queen, Joan Trigg, was crowned at the dance following the Lafayette game.

December was its usual self with the Student Council Christmas projects, the Christmas music concerts, and the other activities. One of these was the senior play, "Down to Earth", a comedy in three acts, presented in the EHS auditorium. Soon after this was the Peppermint Ball, the highlight of which was the crowning of the Talon Queen and King, Gayle Buehne and Gary Tabb.

On the last day of school before the Yuletide holidays, the seniors held a class party in the lunchroom. Not to be outdone, the rest of the school held their own parties, and the Christmas vacation was initiated on a festive note.

In February the new members of the National Honor Society were initiated, and later Virginia Caswell was named recipient of the annual Daughters of the American Revolution medal.

President of his senior class was a boy who had certainly proved himself capable of the task, Alan Byers. Supporting Alan were the other officers—Ned Beatty, Vice-President; Ben Fryrear, Treasurer; Bonita Lillard, Secretary; and Jim Bate and Jerry Colston, Sergeants-at-arms.

With graduation the door will close on one chapter of our lives. May this chapter be by no means the longest, but one filled with pleasant memories.

HIGHLIGHTS OF 1954

In the middle of August with sixteen lettermen returning from last year, coaches Goranflo, Aspy, Hoke, Lassiter, and Taylor started putting the 1954 Eastern Eagles through their paces to meet their initial foe, Manual.

The first game of the '54 season proved the Manual single wing power too much for the inexperienced Eagles. The first half showed neither team leading, but in the third quarter Manual's Mike Hemmer scored six points on a 60 yard run and then added the point. Manual's second touchdown came in the fourth quarter with Hemmer again scoring and again adding the point. On the kickoff Hugh Durham went all the way from his five yard line to make the final score 14-6.

The following week the Eagles met Atherton at Manual Stadium. With both teams playing a poor first half, Atherton scored first with a drive late in the third quarter. The conversion was blocked by Ralph Judd and it was 6-0. The score seemed to wake up the Eagles, and in a very short time Judd scored on a 40-yard run. After Nail made the conversion, the final score was 7-6.

The Southern game, the first to be played on the Eagles' home field, will linger long in the memory of Eastern fans. With Colston and Ewing both scoring and Nail kicking both the conversions, Eastern beat Southern 14-0.

On the first of October Eastern met the Shawnee Indians on the E. H. S. home field. The Indians marched down to the one foot line where the drive stalled. Fifteen plays later, Durham passed to Colston for the T. D. The try for the point was missed and the score was 6-0 at the half. In the second half Eastern put on a terrific offensive showing with Durham, Colston, and Tabb scoring once each and Ewing scoring twice. Shawnee scored once, and Eastern won 40-6.

The following week the Eagles met favored Valley at Valley. The two teams played evenly until one minute and fifteen seconds were left in the first quarter. At this

time Durham passed to Colston in the end zone; Nail converted and the scoreboard read 7-0. Eastern scored in the second quarter when Durham tossed a touchdown pass to Ewing making the score 13-0. Valley couldn't make yardage they kicked, and a few plays later Durham scored from the Valley eight. The point was good. With only two minutes and seventeen seconds remaining in the half, Valley scored to make it 20-6. Early in the second half Durham went around end for another touchdown. A pass from Valley's Mackin to Laysfield went for the T. D., and the score was 26-13. After the Valley score, Russell and Tabb both scored to make a 38-13 upset.

On the fifteenth of October the Eagles, on their new field, won the County Football Championship for the third time in five years. The win over Fern Creek was the fifth straight win for the Eagles, and the third straight win over county foes. Eastern easily won 25-0 with Colston and Durham both scoring twice.

The Eagles next foe was Boone County at Florence. The team from E. H. S. played an easy game, winning 28-0, with Ewing, Kimmel, Tabb, and Durham scoring touchdowns and John Weigand scoring a safety for their poorly earned win.

The twenty-ninth of October the Eagles met the Lafayette Generals from Lexington. The "Big Blue" got off to a rousing start when Durham raced 64 yards for the score on the third play from scrimmage. A few plays later Ewing intercepted a pass and returned it to the Lafayette five yard stripe. Two plays later Tabb powered over, and the score was 14-0. The Generals scored two quick touchdowns, and the score was tied at the half 14-14. In the second half Eastern completely dominated play and won easily 28-14.

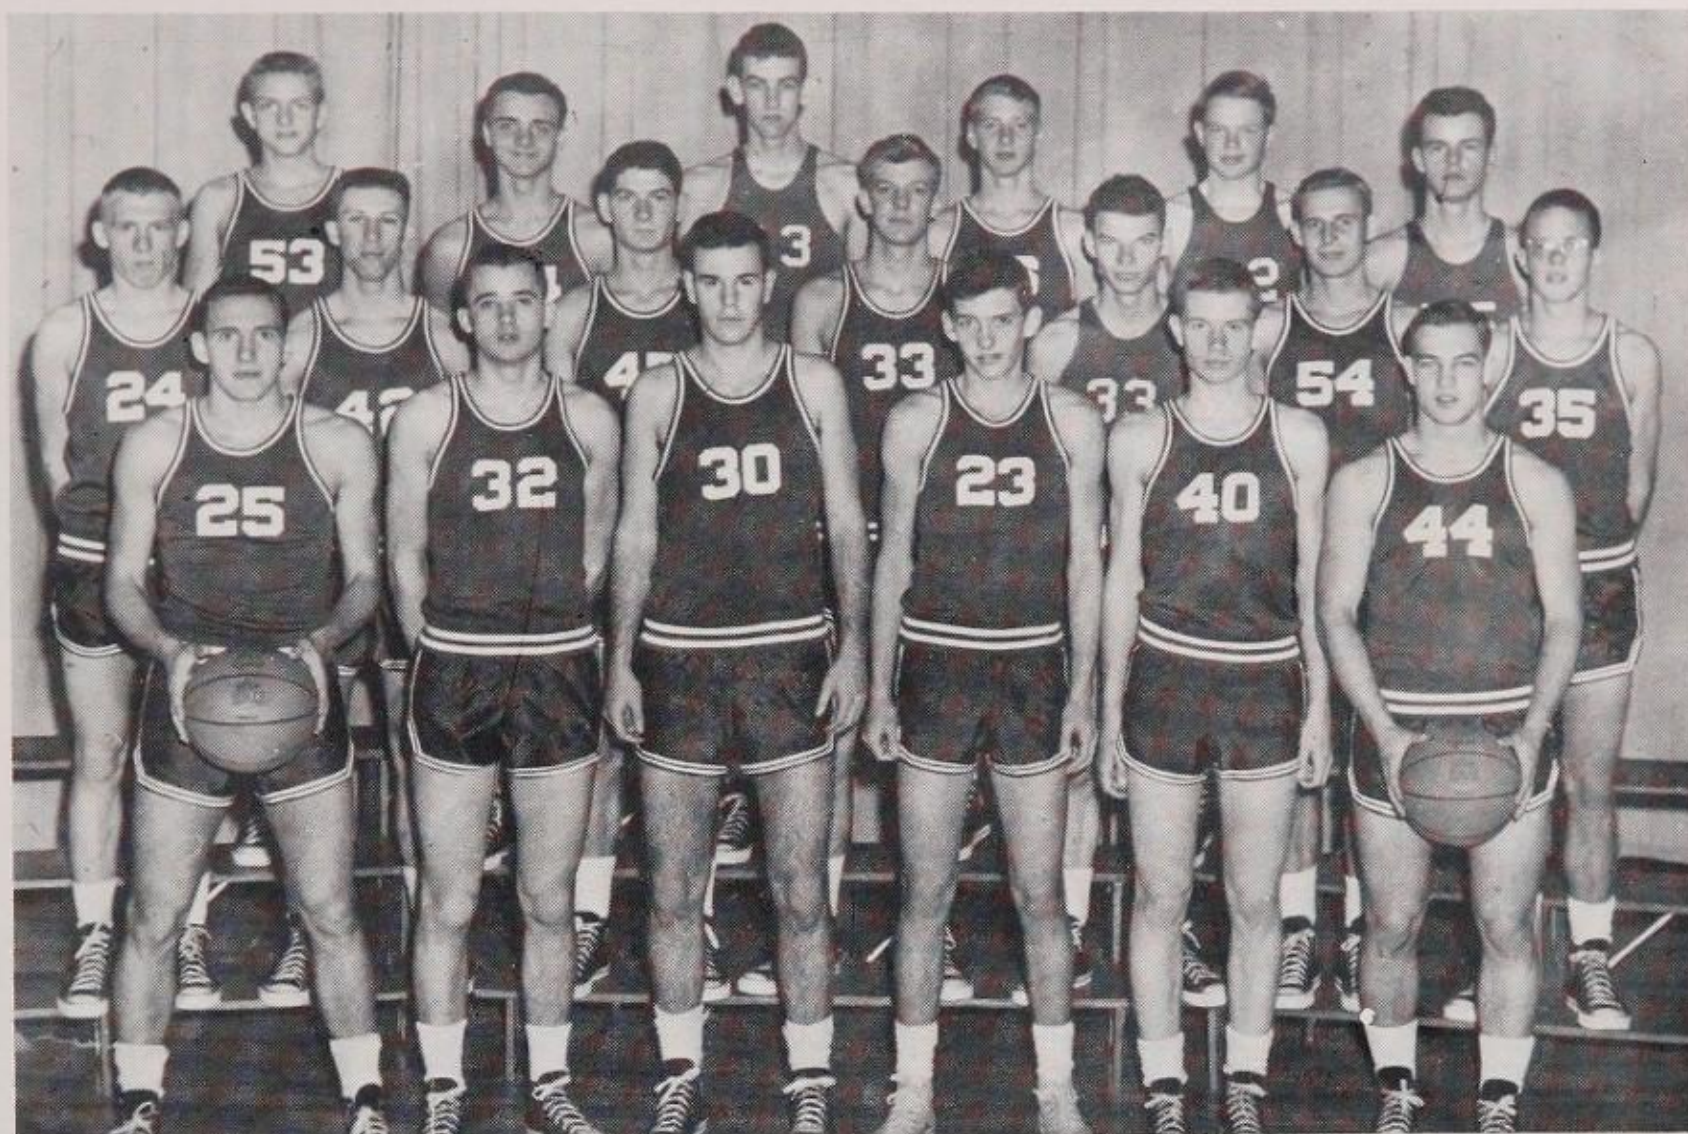

On the fourth of November with a string of seven victories behind them, Eastern met Male, a perennial city powerhouse, at Maxwell Stadium. Male scored first on a sustained drive after taking the kickoff. The Eagles then got back in the game with a 61 yard pass play from Durham to Colston. After that it was just an exchange of touchdowns, with Colston, Durham, and Tabb scoring for the Eagles. Male finally won 33-20.

The 1954 season has been the most successful one ever known to Eastern fans, with the Eagles winning seven and losing only two. Individual honors go to Jerry Colston and Hugh Durham, who both made All Jefferson County and All State Honorable Mention; Benny Fryrear, Richard Ewing, and John Bunting, who also made All Jefferson County Team; and Steve Isaacs, Mike Hook, Bob Martin, Raymond Ramsey, John Weigand, Tom Young, Dan Neubauer, Gary Tabb, Gary Russell, Jim Bate, Harry Brown, and Ralph Judd — without whose participation the most successful season of Eastern's history would not have been possible.

Basketball Highlights 1954-55

The Big Blue from Eastern once more had a highly successful season, winning County Championship and having a 13-6 won and lost record.

The Eagles got off to a flying start in their opening game at Shelbyville. The team from E.H.S. easily defeated the Red Devils 68-51 with Durham and Ewing scoring 22 and 20 respectively.

In their first invasion into the 25th District the Eagles ran into trouble with Southern but finally defeated them 46-39 at Masonic Home Gym with Ewing and Colston at the head of the scoring column.

The Big Blue's pre-Christmas road trip into the eastern part of the state proved fatal when they met the Lafayette Generals and were defeated 50-40 and the next night they journeyed to Maysville and were defeated 64-60.

The Eagles got back to their winning ways after Christmas when they met and easily defeated Owensboro Tech at Masonic Home.

On the following Friday the Eagles met Manual in a game long to be remembered. It was nip and tuck all the way through and when the final buzzer rang, the score was tied. In the overtime the Big Blue came out as victors

with the scoreboard showing a 60-59 victory for the Eagles. Eastern and Manual again met, this time in the Louisville Invitational Tournament, and this time Manual won the hard fought contest in the last minute of the game 47-46.

Avenging their loss to Manual, the Eagles met and easily defeated hapless Atherton at Masonic Home 68-54 with Ewing and Durham leading the parade of scorers. January 23 the Eagles journeyed to Fern Creek where they routed the Fern Creek Tigers 63-45. The next night the team traveled to Oldham County to meet and defeat the Colonels 56-41 with Ewing's one hand push shot once again leading the team to victory.

The darkest day of the basketball season was on February 1 when the influenza-weakened Eagles met St. Xavier at Masonic Home and were defeated 64-29, the worst defeat ever suffered by an Eastern squad.

Later that same week Eastern got back on the winning trail by defeating two County foes, Southern and Valley, on successive nights. The two wins clinched a tie for the Eagles in the County Championship race.

On February 8 the Eagles met Shawnee at Male Gym and played one of their best games of the season, coming

out on top with a one-point victory over a good Shawnee team. The following Friday the Eagles met Valley at Valley's home court and were defeated 57-55 in a sudden-death overtime period.

The Eagles next foe was powerful Male at Male Gym. The "boys from Middletown" threw quite a scare into Male before dropping a 72-65 decision. Both teams hit above forty percent of their shots and in this game the great Kenny Kuhn showed his All-State qualities. Leading the Eagle scorers were Ewing with 24 and Durham with 21.

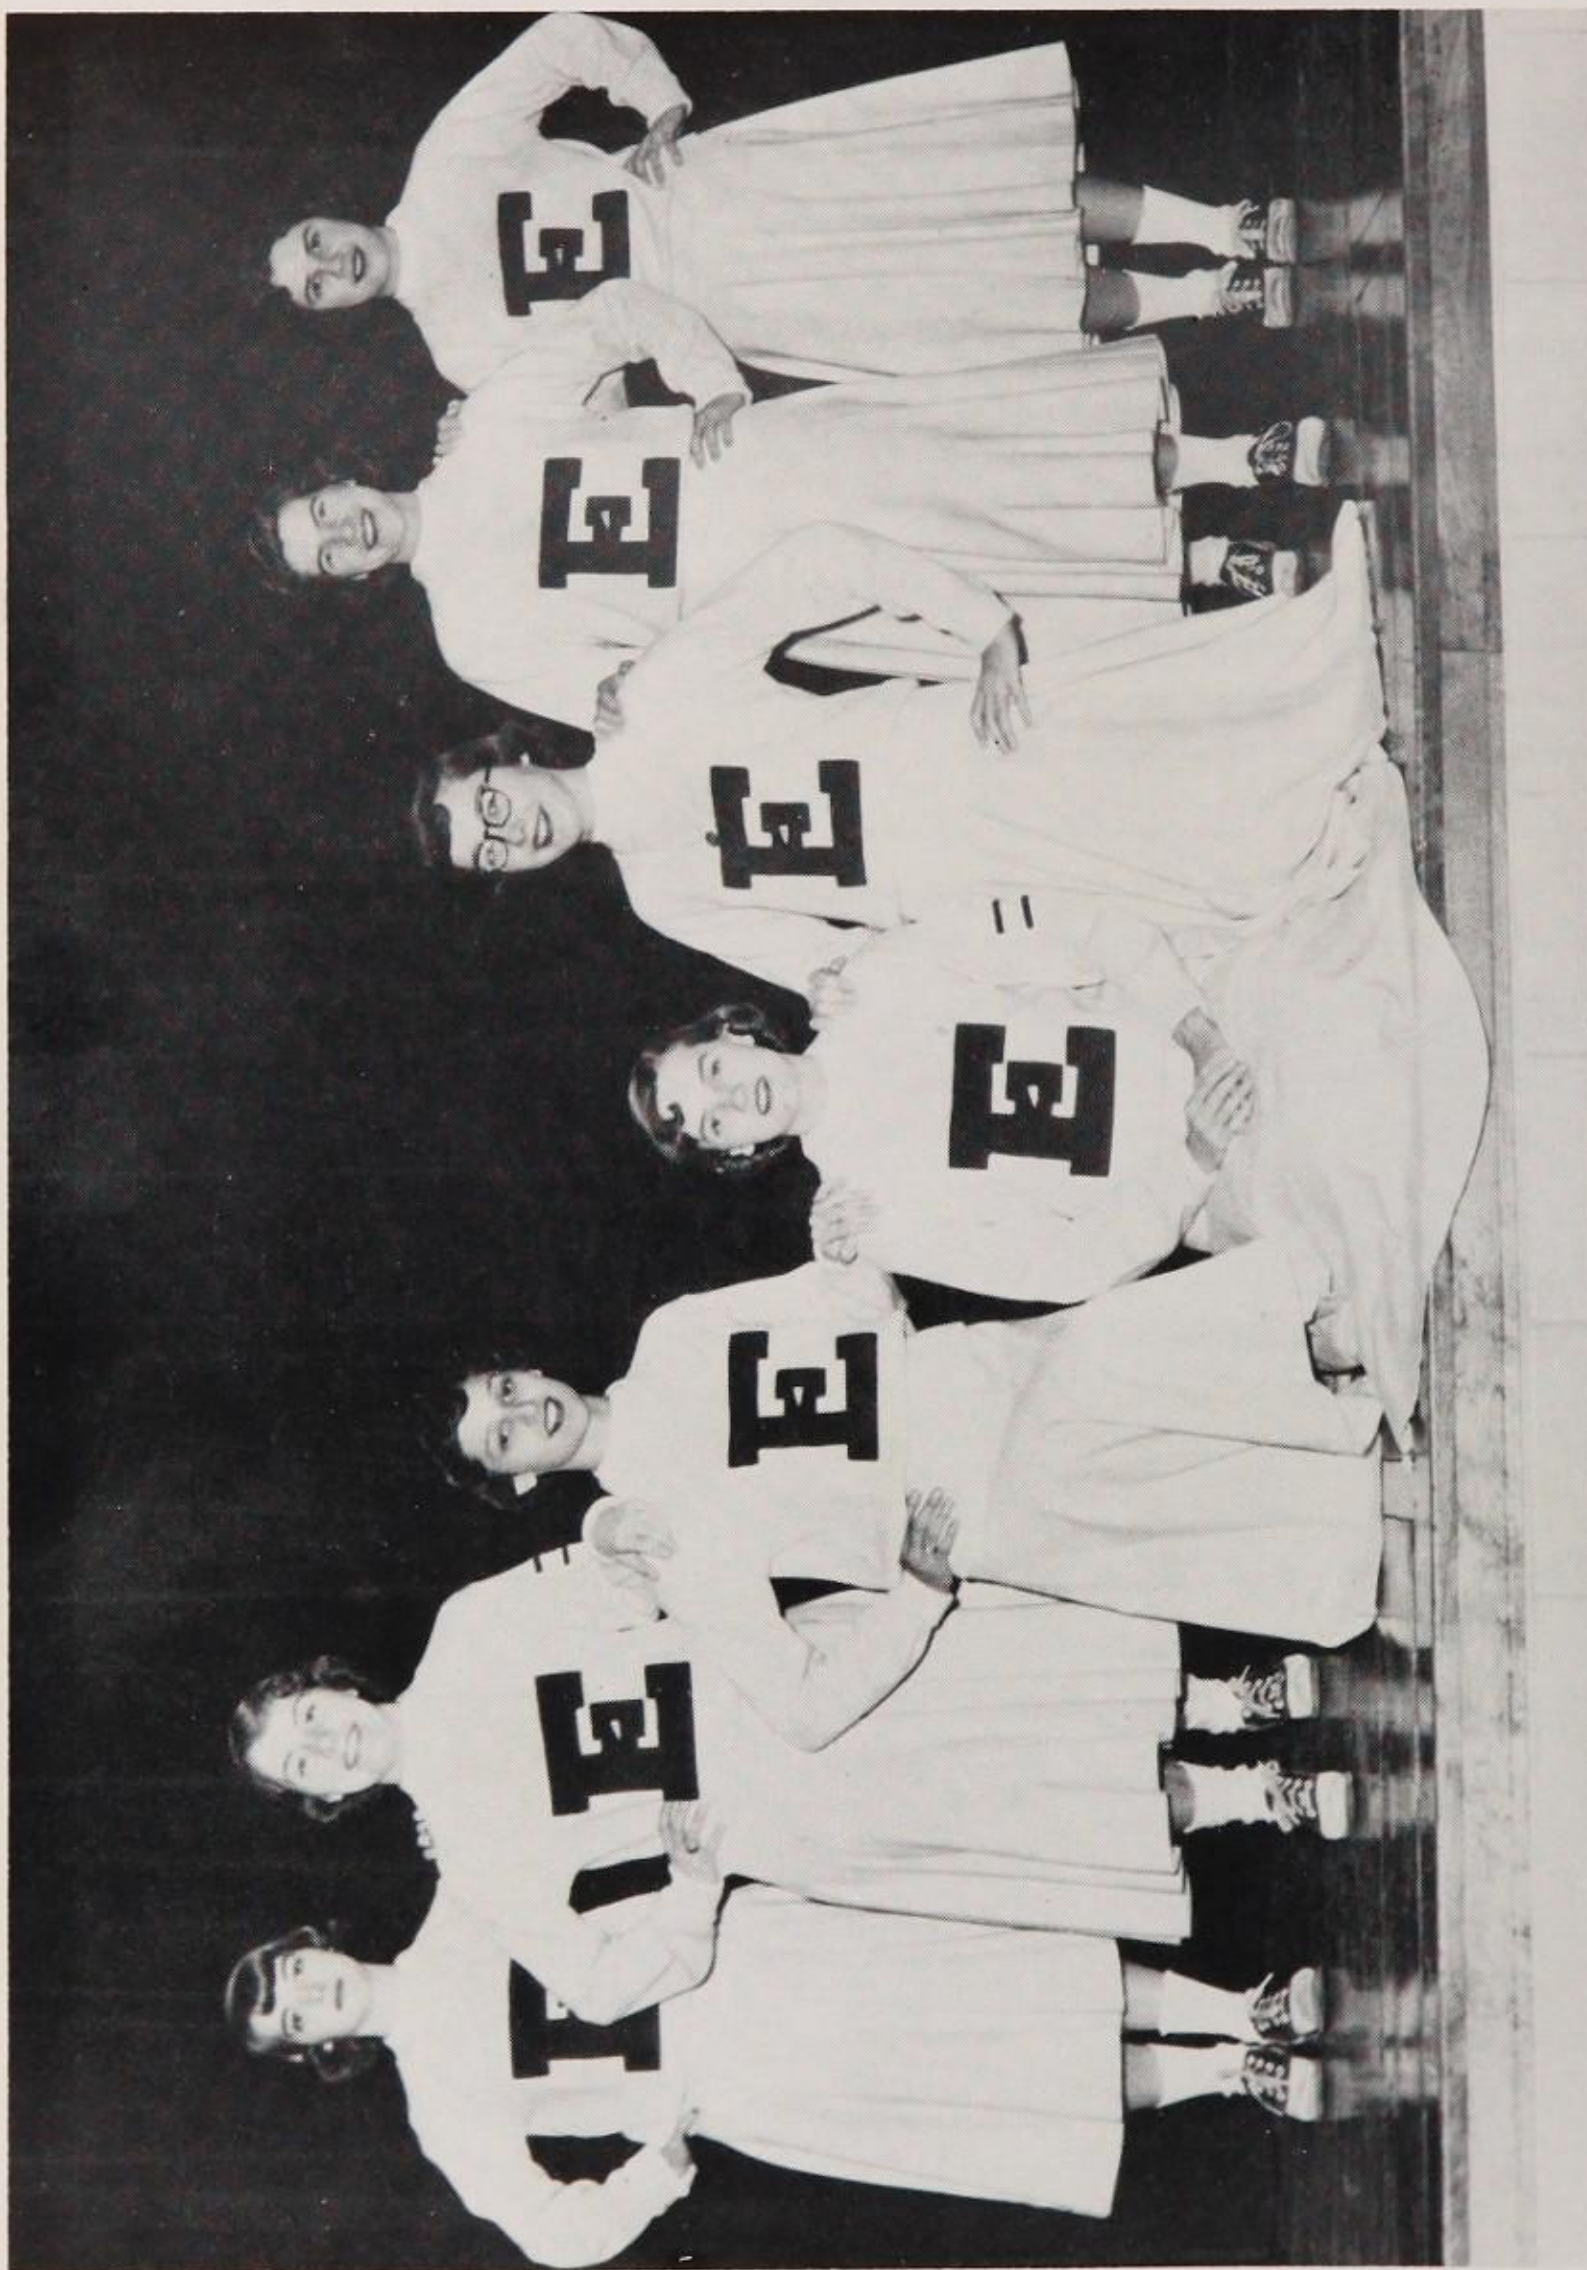

The Eagles finished the regular season play in a blaze of glory defeating Fern Creek to win the County Championship 75-62, Oldham County again 89-56, and stubborn Atherton 70-63 at Male Gym.

Thus the Eastern High Eagles finished the regular season as County Champs for two years straight with a 13-6 record with the District and Regional Tournaments yet to be played and thus bringing down the curtain on another successful basketball season.
